

ATLANTIC

Personnel & Tenant Screening, Inc.

Since 1997, Atlantic Personnel & Tenant Screening has stayed committed to its founding principles: Provide the highest-quality customer service at the lowest possible prices. Headquartered in Palm Beach Gardens, Florida, we serve a long list of satisfied customers nationally and in our own neighborhood.

Take advantage of our mobile Livescan fingerprinting service

Commit a crime and it's easy to get fingerprinted. Try to complete an application to work, get a business license, or volunteer at school or church? Not so much.

Don't lose valuable potential volunteers and employees because it's a hassle for them to get fingerprinted. Using our mobile Livescan service, Atlantic can bring fingerprinting technology directly to you. You coordinate the schedule. We can visit on a one-time basis, or return at regularly scheduled intervals.

We come to you!

For mobile visits to your office, you must schedule a minimum of five Livescans per trip. Group discounts are available, and we have a "Price Match" offer that beats or meets the prices of other private Livescan service providers. Conditions apply.

Our mobile Livescan division serves Indian River, Southern Okeechobee, Saint Lucie, Martin, Palm Beach and Broward counties. Please note that we have no travel charges, administrative fees, or any other add-on fees. *For individually scheduled appointments to our office*, the cost for the service includes the Florida Dept. of Law Enforcement (FDLE) mandated fee plus a modest convenience fee per applicant.

We can run all your screenings!

We know you need your **pre-employment screening reports** fast, and our system is designed to respond:

- Log in 24/7/365.
- Most reports are generated instantly.
- Our software is incredibly easy to use.
- View and print archived reports.
- Our software generates adverse summary letters for you.
- We interface with most Applicant Tracking System (ATS) software.
- Paperless billing available.

Set up your screenings today!
